**390,000 PAGES PRINTED  
IN A5 FORMAT**

### Overview

Our client came to us with a large and complex printing project that required a quick turnaround.

### Challenge

There were 53 boxes of documents with approximately three hundred ninety thousand (390,000) pages that had to be printed in A5 format.

### Solution

Our staff followed a meticulous process to print the documents in A5 format and created A5 tabs, new indexes, and volume indexes.

### Results

Law Image was able to turnaround the project in six days, delivering it well ahead of the timeline.

THE RESULT WAS 650 BOOKS IN TOTAL,  
PREPARED, FINALISED, AND DELIVERED.
