

IMPRINTS THAT CELEBRATE THE DESIGN

Experience the Law Image advantage in Commercial Printing

END-TO-END PRINT MANAGEMENT SERVICE

Law Image is trusted by leading law firms and government departments to deliver excellent quality on all legal document management projects. We are also a preferred print management partner offering end-to-end legal document and commercial printing services.

Smart Printing Technology

Law Image deploys the latest in printing software and machines to deliver high quality prints. Our services cover digital, offset, screen and wide format printing. Our graphic designers can add value to existing designs or create a new artwork aligned to the client brief.

With over 20 years of industry experience, Law Image can deliver on all printing requirements.

EXPERIENCE THE LAW IMAGE ADVANTAGE

Customer Service

Law Image follows a customer-first culture that ensures all clients are supported end-to-end on all their orders.

Account Management

Dedicated print production specialists are assigned to help clients on their orders, from quick response on queries to delivery of project.

In-depth Expertise

Print specialists at Law Image have many years of experience in design and print solutions. They are equipped to handle small and high-volume printing projects.

24x7 National Presence

Law Image operates in all key cities in Australia. We are headquartered in Melbourne and have offices in Sydney, Brisbane and Perth.

ISO Certifications

Law Image has received the ISO 9001:2015 certification for quality excellence and ISO 27001:2013 certification for our information security management practices.

Sustainability

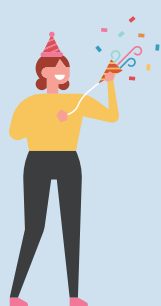

Law Image is focused on reducing our carbon footprint through office automation, using recycled paper and reducing waste. We also comply with relevant environmental standards and industry best practice.
